

CONTACTLESS PICKUP

Starts Monday, June 22

Here are the steps for curbside service:

1

Visit
www.ftlnj.org
to place holds on
the materials that
you would like to
borrow using your
Franklin Township
library card.
(limit of 5 items)

2

Wait for a library
staff member to
call you to
schedule a time
slot to pick up
your ordered
materials.

3

Drive to the
library and pull up
parallel to the
front of the
building. Open
your trunk and we
will put the items
inside.

Patrons may not enter the building. Stay in your vehicle. Do not give return items to staff. If you need to return items, they must be placed in the outside book drop after the staff member has returned to the building. We cannot accept donations at this time. Please exit the curbside service location in a timely manner to ensure the safe flow of traffic.
