Application for Inclusive Preschool 2019-20

The Township of Franklin Public School District will again be hosting a Preschool Inclusion Program for three and four-year old children for the 2019-20 school year. There are two included classrooms in the district. These Preschool Inclusion classes enroll preschoolers with disabilities along with typically developing children in order to provide public school opportunities according to the Individuals with Disabilities Education Improvement Act, 2004. This year's three year olds will be invited to stay in the program so we do not currently have any openings for four year olds unless one of the current three year olds opts out for next year. Thus, you can still submit your four-year old's name and he or she will be placed on a waiting list. We will plan to recruit ten new three year olds for the 2019-20 classes.

Children must be three by 10/1/19. The program runs five days per week with a half-day session in the morning and one in the afternoon. Transportation will be provided for the students. Children should be toilet trained and have age appropriate verbal skills. Selection for the program will be by lottery. The program will continue to be housed at Mary F. Janvier School. **Please note that if you have twins, each child's name should be written on a separate application. If one is selected, the other child will not be placed in the program unless he or she is selected as well.**

If you are interested in submitting your child's name for the lottery, please complete the bottom portion and return it to the Child Study Team Office located at 3228 Coles Mill Road. **The cost of the program is \$1800 per year. That payment can be made in full or on a monthly payment schedule set up by the business office.** Applications must be returned by May 31, 2019. The parents of the children selected through the lottery will be notified by June 7, 2019.
