

Township of Franklin Public Schools
KINDERGARTEN IN PERSON
REGISTRATION CANCELLATION
2020-2021

Thank you for all that have Pre-Registered online. We want to personally apologize for this cancellation, but due to the current situation we will be cancelling in person Kindergarten Registration this year. We urge all families to continue to register online. Ms. Hahn will be available for any additional questions. She can be reached at 856-629-9500 ext 1200. Proper documentation will still need to be required via email. If you do not have access to email, please feel free to touch base with me, and we can make further arrangements. I hope this letter finds you all safe and well. We look forward to all our new students.

Sincerely,

Krysta Hahn
