Dear Sixth Grade Parent/Guardian,

The 6th grade students will participate in Family Life classes. Mr. Burlingame, our physical education teacher, will instruct the boys and Mrs. Zorzi, the school nurse, will instruct the girls. Boys and girls will be separated during these lessons.

Township of Franklin Public Schools Health and Family Life curriculum is aligned with the New Jersey Core Curriculum content standards. Topics that will be discussed include the reproductive system, changes that take place in the body during puberty, fertilization, challenges faced by teenage parents, dating, benefits of abstinence, risks of STI's and HIV.

Please sign the participation slip and return to Reutter School.

If you have any questions, please do not hesitate to contact me at 856-694-0223.

Sincerely,

*Mrs. Zorzi, RN, BSN, CSN
School Nurse*

Please check the appropriate box, sign and return form to Reutter School.
