PARENT NOTIFICATION SYSTEM

The Township of Franklin Public School District uses the *SchoolMessenger* service to send recorded messages to parents/guardians regarding inclement weather or emergency school closings, delayed openings, information during school emergencies and other important information.

The telephone number that is listed as the main phone number on your child(ren)'s records will automatically receive recorded messages. A second telephone number can be added by filling out the form below.

The *SchoolMessenger* service can also send text messages to one or two cell phone numbers. In order to set up this service, please follow these instructions:

- 1) Complete this form and send it with your child to their school, mail it to the Township of Franklin Board of Education, 3228 Coles Mill Road, Franklinville, NJ, 08322, or fax it to 856-629-1486.
- 2) An authorization must be sent from the cell phone(s) you have selected by texting "Y" or "Yes" or "Optin" to 67587. Please be advised that the district does not charge for this service nor does the district pay for any charges that you may receive from your wireless carrier for receiving text messages. You must check your plan with your wireless carrier for any possible charges.
- 3) If you want to stop receiving text messages, text "STOP" to 67587 from the cell phone(s) currently authorized to receive text messages.
