### Application for Inclusive Preschool 2009-10

The Township of Franklin Public School District will again be hosting a free Preschool Inclusion Program for three and four-year old children at the Lake School for the 2009-2010 school year. This Preschool Inclusion class has enrolled preschoolers with disabilities along with typically developing children in order to provide public school opportunities according to the Individuals with Disabilities Education Improvement Act, 2004. This year's four year olds will be invited to stay in the program and we will plan to recruit 4 new three year olds for the 2009-2010 class.

Children must be three by 10/1/09. The program runs five days per week with half-day sessions. Transportation will be provided for the students. Children should be toilet trained and have age appropriate verbal skills. Selection for the program will be by lottery.

If you are interested in submitting your child's name for the lottery, please complete the bottom portion and return it to the Child Study Team Office located at 3228 Coles Mill Road. Applications must be returned by July 10, 2009. The parents of the children selected through the lottery will be notified by July 17, 2009. Parents of four year old children interested in having their child attend will be placed on a waiting list. In the event that the present four year olds do not return, a lottery will be held to choose children to fill those spaces.
