## Twp. of Franklin Public Schools Student Performance Report

Fall 2021-2022 By: Jaime Doldan

## Last "Normal" School Year

| 6th Grade | Grade 3 |
| :---: | :---: |
| 5th Grade | Grade 2 |
| 4th Grade | Grade 1 |
| 3rd Grade | Kindergarten |
| 2nd Grade | Never |
| 1st Grade | Never |
| Kindergarten | Never |

## Universal Screeners Administered To All Students

## ELA

## Math

- Math Interview
○ Gr. 1-4
- Quick Spelling Assessment (QSA)
- Gr. 2-6
- Math Reasoning Inventory - Gr. 5-6
- iReady
- Gr. K-6

## Diagnostic Assessments Administered To Targeted Students

## ELA

- Phonological Awareness Screening Test (PAST) Gr. 1-2
- Quick Phonics Assessment (QPA) Gr. 1-6

Math

- Math Interview (Full)
- Math Reasoning Inventory (Leveled)

## DIBELS Composite Scores MFJ K-2

| Grade | Tier 2 <br> 2020 | Tier 3 <br> 2020 | Total <br> 2020 | Tier 2 <br> 2021 | Tier 3 <br> 2021 | Total <br> 2021 | +/- |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| 1st | 25 | 10 | $\mathbf{3 5}$ | 18 | 21 | 39 | $\mathbf{+ 4}$ |
| 2nd | 27 | 6 | 33 | 18 | 11 | $\mathbf{2 9}$ | $\mathbf{- 4}$ |
| 3rd | 34 | 13 | $\mathbf{4 7}$ | 69 | 19 | $\mathbf{8 8}$ | $\mathbf{+ 4 1}$ |
| 4th | 24 | 13 | $\mathbf{3 7}$ | 59 | 15 | $\mathbf{7 4}$ | $\mathbf{+ 3 7}$ |
| 5th | 10 | 15 | $\mathbf{2 5}$ | 21 | 17 | $\mathbf{3 8}$ | $\mathbf{+ 1 3}$ |
| 6th | 11 | 6 | $\mathbf{1 7}$ | 26 | 8 | $\mathbf{3 4}$ | $\mathbf{+ 1 7}$ |

- DIBELS Composite Score: The number of students scoring in the intensive range has increased in grades K-4 (no baseline data for Gr. 5 \& 6 before Sept. 2021).
- The percentage of students scoring in the intensive range in Phoneme Segmentation Fluency (PSF) has decreased which has allowed our interventions to move into phonics much quicker.
- The percentage of students scoring in the intensive range for Nonsense Word Fluency has slightly increased in the lower grades, which makes sense due to PSF decreasing.
- In grades 3-6, a shift has occurred allowing interventions to occur in oral reading fluency, vocabulary \& comprehension while also using more of the iReady data and resources.
- iReady: data is included from the last 5 years to see where we were pre-pandemic to now. In reviewing this data in grades K-2, you may notice a slight increase in the percentage of students on level in Fall 2020. This data may be skewed due to many students taking the assessment remotely.
- iReady: Gr. 3-6, although the percentage of students below level has relatively stayed the same or in some cases increased we are seeing a large turnover of students needing phonics interventions to now needing interventions that are more grade level specific, i.e. fluency, vocabulary and comprehension; which means we are starting to see the gaps in phonics close.
- Number of BSI students: There is a big increase in the number of BSI students in grades 3 \& 4 because we had more interventionists available for this intervention period so we were able to service more students for reading fluency concerns. It is expected for this number to decrease for the second intervention period.

| 5th | 15 | 20 | 21 | 41 | $\mathbf{+ 2 6}$ |
| 6th | 52 | 27 | 31 | 58 | $\mathbf{+ 6}$ |

 | iReady: there is a slight increase in the percentage of |
| :--- |
| students that are below level. However, a shift has occurred |
| in the subtests needing support from Numbers and |
| Operations and Algebraic Thinking to Geometry, |
| Measurement and Data. This was to be expected |
| considering those standards were not taught to mastery |
| given the school closure and prioritizing of standards. |

- The Math Interview data reinforces the above as this assesses students foundational number sense ability. The number of students on level has increased in grades K - 4 .
- Math Reasoning Inventory: In grade 5 and 6 this assessment changes focus to assess students ability to apply what they have learned with foundational number sense and extending it to larger whole numbers and then to fractions, decimals and percents. This assessment is quite a bit more challenging for students.
- Number of BSI students has increased in math due to the implementation of a formal tiered system of support. We have now implemented a universal screener and diagnostic assessment that allows us to tier students appropriately.
- Number of BSI Students: the increase in the number of students needing support in 1st grade is not a surprise given the pandemic and having four days of school last year. The number of students needing support is still relatively low.
- Number of BSI Students: the increase in the number of BSI students in grades 4 and 5 are due to the implementation of the Math Intervention classrooms.

## Mid Year District Goal Update

70\% of The Township of Franklin Public School District students in kindergarten through sixth grades will attain the following percentages of their annual stretch goal in ELA and Math as assessed by the iReady diagnostic software.

| MOY 2021-2022 District Average Stretch Reading Data |  |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | K | 1 | 2 | 3 | 4 | 5 | 6 |  |
| T1 (34\%) | 0\% | 0\% | 22\% | 6\% | 22\% | 47\% | 21\% |  |
| T2 (27.5\%) | 3\% | 0.50\% | 20\% | 16.50\% | 13\% | 13.50\% | 24.5 | Achievement |
| T3 (22\%) | NA | 0\% | 2\% | 5\% | 16.50\% | 13\% | 12.50\% | 1/20=.05\% |
| MOY 2021-2022 District Average Stretch Math Data |  |  |  |  |  |  |  |  |
|  | K | 1 | 2 | 3 | 4 | 5 | 6 |  |
| T1 (25\%) | 0\% | 13\% | 0\% | 0\% | 0\% | 0\% | 20\% |  |
| T2 (22\%) | 7\% | 1.50\% | 2\% | 0\% | 1\% | 2\% | 13.50\% | Achievement |
| T3 (20\%) | NA | 6\% | 3\% | 8.50\% | 3\% | 2.50\% | 10.50\% | 0/20=0\% |
